

JOIN THE CROCKER HIGHLANDS PTA

Crocker Highlands PTA is a parent/teacher organization dedicated to enhancing the education and general wellbeing of our children and families.

What does the PTA do for our school? The PTA is crucial in raising money for programs that help make Crocker a great school. The PTA operates an \$180,000 budget which funds physical education, vocal music, and computer instruction. The PTA also organizes a wide range of family and community-oriented programs such as the Room Parent Program, Penny Drive, Traffic Control, Gardening and Playground Improvement, Dad's Club, Diversity Committee, the Green Committee, New Parent Outreach, Technology committee, and our website, to name a few.

Why should I join? Show your commitment to excellent education for our children. Support your community and meet other parents and administrative staff at Crocker.
